REGISTRATION INFORMATION

Registration
While you can still complete the registration on page 6 of this book, you may also register on line for all Adult and Saturday programs and trips. Payment may be made on-line or send in your check. To visit this secure site, please go to the district web (www ww.p.org) and visit the pages for Community Education. This link will direct you to the online registration. Registration continues until the beginning of class, but don’t leave it to the last minute. YOUR registration could make the difference between having enough to run the class or cancelling due to insufficient registration.

School Closings
If conditions require closing of the WW-P schools, Community Education classes will not be held. If day school classes are held and inclement weather develops, listen to WKXW (101.5), or WPST (94.5 fm) for information about cancellation of Community Education classes.

Enrollment
West Windsor-Plainsboro Community Education reserves the right to limit the number of students in a class and to cancel a class due to insufficient registration. All West Windsor-Plainsboro Community Education classes are open to all men and women regardless of race, religion, residence, or citizenship.

HOMEWORK ASSISTANCE
WW-P Community Education is offering a homework assistant program for students who would like additional help. The program is being offered to students in the WW-P School District. We recognize that life can be hectic. Families are involved with many activities, sports and events. WW-P Community Education wants to help ease the stress and allow you quality family time.

This program will allow your child to meet with a certified classroom teacher after school for one hour on Tuesdays and/or Thursdays. The teacher will meet with students in the cafeteria after school on Tuesdays and/or Thursdays. If you have any questions or assistance, please contact Susan Holscher at (609)716-5030 ext.5034

School-Age Programs

KINDERGARTEN EXTENSION
The Kindergarten Extension Program was created in 1999 to provide parents and children with an opportunity to remain in the West Windsor-Plainsboro School District for a full day. The Kindergarten Extension Program will cover either the first or second half of the school day, depending on when your child is assigned Kindergarten at your home school. “KE” program highlights include: AM & PM Programs, NJ Certified Teachers & Qualified Aides, Developmentally Age Appropriate Activities, Programs Housed at Millstone River, Mid-Day/Bussing Available, Age Appropriate Activities and Lunch Service Availability.

INTEGRATED PRESCHOOL PROGRAM
The Integrated Preschool Program serves both typically developing and special needs children, three and for years of age. This program will immerse children in a variety of language related activities, art and music activities, pre-readiness activities and hands-on activities that promote academic and emotional growth. Each session will be comprised of eight typically developing children and eight children with special needs. Two certified teachers, one regular education and one special education teachers will instruct each session.

“KE” & PRESCHOOL LOTTERY
Due to a high demand of applicants, each of these programs must have a lottery. Registration will be on-line at the district website at www ww.p.org. Go to Departments and click on Community Education. All KE & Preschool students must be potty trained prior to the start of the school year.

EXTENDED DAY PROGRAM
The Extended Day Program emphasizes the need for children to be greeted by a warm, caring person at the end of the school day; to have nutritious, balanced snacks; to make choices and decisions; to have the opportunity for age-appropriate experiences that will nurture the development of skills; and to spend their time out of school in a supportive environment that will allow them to grow socially, emotionally, physically and intellectually. Registration will be on-line at the district website at www ww.p.org. Go to Departments and click on Community Education. There is a two day waiting period.
FIRST AID BASICS
Students will learn to recognize and care for an injury or sudden illness. Topics to be covered are head, neck and spine injuries, broken bones, burns, wounds, fainting, shock, diabetic emergency, bites and stings, poisoning, heat and cold-related illnesses, seizures and more. Limited enrollment.

KARATE: FAMILY & TEENS
Shotokan karate is the most popular type of traditional karate taught in the world. Practicing karate gives people more self-confidence and a better sense of awareness, but karate is also fun! Unlike other martial arts instructors, Takeshi hopes that his students will love karate as much as he does. He believes that stretching is one of the most important parts of class—becoming more flexible makes it easier to do those high kicks. He will use games to increase endurance, for muscle training, for enhancing balance and coordination, and even to teach some basic skills. Besides basic skills, kata (forms) will also be taught.
Instructor: Takeshi Kitagawa, 6th Degree Black Belt
March 17, 24, April 21, 28, May 12, 19  Fee: $125

Saturday Programs for Adults At Village School

Slide Show presentation meeting Monday, February 13, 6 pm, HS North, 700 area

The Van Gogh exhibit “Up Close” at the Philadelphia Museum
Vincent van Gogh was an artist of exceptional intensity, not only in his use of color and exuberant application of paint, but also in his personal life. Drawn powerfully to nature, his works—particularly those created in the years just before he took his own life—engage the viewer with the strength of his emotions. This exhibition focuses on these tumultuous years, a period of feverish artistic experimentation that began when van Gogh left Antwerp for Paris in 1886 and continued until his death in Auvers in 1890. On April 24, we will be travelling by bus to the Philadelphia Art Museum.

Depart from WW-P HS North at 8:30 am & return 4:30 pm.
Cost: $110.00 Tickets, bus travel & lunch on the East Balcony, are included.
Questions? Please contact Susan Holscher at 609-716-5030 ext. 5034

The Philadelphia Flower Show: Hawaii: Islands of Aloha
Join us on a visit March 6!
Indeed, one of the reasons the Philadelphia International Flower Show is considered the premier gardening event of its kind in the world is due in large part to the exceptional talent of these designers and their ability to exhibit such a great variety of exceptional plants for the Show.

On March 6th, we will be travelling by bus to the Flower Show. We will be departing from the parking of HS North in Plainsboro at 8:30 am and returning 4:30 pm. Tickets and bus are included in the price. You may pack or buy lunch at the show.
Cost: $75.00 for coach bus and show.
Questions? Please contact Susan Holscher 609-716-5030 ext. 5034.

Featured animals will include: Baby sugar bears (a marsupial and relative of the kangaroo), a miniature burro, ducklings, baby turtles, bunnies, chicks, and more!
Week: 4  Time & Location: 9:00 - 12:00 p.m., MH  Grades: 1st - 4th  Fee: $150

Week: 4  Time & Location: 1:00 - 4:00 p.m., MH  Grades: 1st - 4th  Fee: $150

Week: 5  Time & Location: 9:00 - 12:00 p.m., MR  Grades: 1st - 5th  Fee: $150
Insect Investigators
Want to discover fascinating insects and have an amazing time while experiencing the great outdoors? Join us as we collect, examine, discuss, and learn about all sorts of insects in their natural habitat. Campers will learn interesting and unique facts about the insects we find while completing fun and exciting projects.

- Week 1: Time & Location: 9:00 - 12:00 p.m., MH
- Week 2: Time & Location: 9:00 - 12:00 p.m., MR
- Grades: 1st - 4th
- Fee: $150

Intro to French
Bonjour! This class will concentrate on the very basic French for kids. Numbers, words and colors will be covered, plus each child will get a French name.

- Week 2, 4, 6, 8: Time & Location: 1:00 - 4:00 p.m., MR
- Grades: 1st - 3rd
- Fee: $150

Jewelry Making
Love charm bracelets, beaded necklaces, friendship bracelets and barrettes? Then this class is for you! Create all of these projects and more. We will be using various methods of assembling jewelry to create a style all your own.

- Week 1: Time & Location: 9:00 - 12:00 p.m., MR
- Grades: 2nd - 5th
- Fee: $150

Kids as Inventors
Students will have the opportunity to design, build, test and experiment exciting projects like heating houses, sinking and floating, roller coasters, launching straw rockets, electric multiple circuits or wiring or two dimensional house. Students will explore, think, predict, ask questions, and learn science concepts & more!

- Week: 5, 7
- Grades: 2nd - 5th
- Fee: $150

KidzArt: Famous Artist Camp!
Learn about famous artists. Talk about their style. Complete paintings, sculptures and drawings all inspired by the artists you learned about. It’s a wonderful week full of creating with a little art history thrown in to make the lessons more meaningful.

- Week: 1, 2, 3, 4
- Grades: 1st - 4th
- Fee: $150, Week 3 $140

KidzArt: Art Season!
It may be summer but this week we are exploring ALL seasons through art. Winter, Spring, Summer, Fall, being creative is fun for all! Each day a different season will be your inspiration as you work on projects and drawings. Unique mediums like foam paint, ice, sandpaper and velour will be used. Drawings full of scenery & more!

- Week: 1, 2, 3, 4
- Grades: 1st - 4th
- Fee: $150

Food Science
Food is awesome. Science is awesome. Blending the two together will give us an opportunity to develop critical thinking skills, science methodology, as well as cooking techniques. Come join us for projects that will introduce your kids to the basic principles of chemistry, physics, biology while doing everyday activities like; making a plastic bag ice cream while learning about the freezing point of cream, making homemade lemonade and determining whether a lemon would float or sink to the bottom, investigating the science explosive reaction of popcorn, and much more.

- Week: 5
- Grades: 1st - 4th
- Fee: $150

Fun with Reading
Science fiction, biography, non-fiction, poetry, and other styles of reading will be shared with the class. Class discussions will allow kids to share their favorite authors and books.

- Weeks: 2, 4, 6, 8
- Grades: 1st - 3rd
- Fee: $150

Going Big Murals
In this course students will be working collaboratively on mural projects that will be displayed throughout the summer! Students will work as a team to create wall sized pictures and learn about how artists use murals to convey messages and interest the public.

- Week: 5
- Grades: 2nd - 5th
- Fee: $150

Hello Hollywood!
Are you ready for Hollywood? Activities include making lip balm, spa facial, nail art (manicure, pedicure) jewelry making (earrings, charm bracelets, necklaces), making purses, scented soap, jewelry boxes, diary making and more!

- Weeks: 2, 4, 6, 8
- Grades: 1st - 4th
- Fee: $150, Week 3 $140

Hooray for Hoops!
Hooray for Hoops will concentrate on basic basketball skills along with free shooting time along with games like “Around the World” and Knocked Out.” The second part of class will have small games and some favorite lead up games. Come join us for a lot of fun.

- Weeks: 3, 4, 5, 6, 7, 8
- Grades: 1st - 4th
- Fee: $150, Week 3 $140

KidzArt Animal Style
Where art goes wild! Who said pigs can’t paint? Join KidzArt on an art adventure, where art meets wild animals...or the animals meet WILD ART! We’ll draw, paint, sculpt and get messy! Explore different art media from oil pastels to paint, clay, collage, chalk pastels and more!

- Weeks: 1, 2, 3, 4
- Grades: 1st, 3rd, 4th
- Fee: $150, Week 3 $140

KidzArt: Art’s a Party!!
Every day of this week will be like your very own art birthday party!! Draw scenes inspired from the biggest parties around like Mardi Gras, Carnivals and Circuses! Use balloons and tissue paper in sculpting projects, create functional decorations, experiment with glittery surfaces and fabric mediums! At the end of the week with glittery surfaces and fabric mediums! At the end of the week students will have their very own art birthday party!!

- Week: 5, 6, 7, 8
- Grades: 1st - 3rd
- Fee: $150, Week 3 $140

Kindergarten Connection
Kindergarten Connection is for children who will be entering Kindergarten in the fall of 2012. The program is based on developmentally appropriate activities which introduce the children to the Kindergarten classroom environment. Children will enjoy activities filled with art, games, stories and music in the Kindergarten setting. Students should bring their own daily nutritious snacks. All children must be potty-trained.

- Weeks: 1, 3, 5, 7
- Time & Location: 9:00 - 12:00 p.m., MR
- Grades: K
- Fee: $150, Week 3 $140

Leap Into Our Galaxy For An Out Of This World Time!
We will be offering a fun-filled session. Your children will learn different forms of dance--Jazz, Hip Hop, Musical Theatre and Lyrical!! They will even learn the lyrics and sing along as they dance to their favorite movies and musicals! Children will warm-up, go across the floor doing different combo’s in each form of dance, and play many dance related games. They will even learn a routine that will be added on to every day.

- Weeks: 1, 2, 3, 4
- Grades: 1st - 4th
- Fee: $150, Week 3 $140
Mad Science: Space: The Final Frontier!
Throughout the week, brave young astronauts will explore the mysteries of the solar system and the science behind air & space travel. Children discover not only how astronauts get into space, but also how they live and work once they get there. In this advance space program, we will investigate unique flying machines, including building balloon-copters, boomerangs and a mini hovercraft as take home projects for the children. They learn first hand about the aerodynamic properties of flying machines by building their own Estes® model rockets! Once the rockets are completed, children will blast off on a real Mad Science Live Rocket Launches!

Week: 1  Time & Location: 9:00 - 12:00 p.m., MH  Grades: 1st - 4th  Fee: $150
Week: 5  Time & Location: 1:00 - 4:00 p.m., MR  Grades: 1st - 4th  Fee: $150

Mad Science: Space: Infinity & Beyond!
Students explore the mysteries of the solar system and the science behind air & space travel. Week: 5  Time & Location: 9:00 - 12:00 p.m., MR  Grades: 1st - 4th  Fee: $150

Mad Science: CSI: Radical Reactions & Detective Science!
In this weeklong program, campers will have tons of fun mixing up potions and experimenting with all kinds of chemical reactions! Our young chemists will grow crystals, create sidewalk chalk, and even make chromatography T-Shirts to take home. During this hands-on detective work, children will gather & test "crime scene" clues, make & analyze their own fingerprints, make Rainbow Stompers & much more! This camp is radical dude!

Week: 6  Time & Location: 9:00 - 12:00 p.m., MR  Grades: 1st - 4th  Fee: $150
Week: 6  Time & Location: 1:00 - 4:00 p.m., MR  Grades: 1st - 4th  Fee: $150

Mad Science Red-Hot Robots!
Spend this summer playing with our super cool Red-Hot Robots! Discover the world of robots as we investigate the differences between humans and their robotic counterparts. Campers will learn how robots use infrared and other sensors to discover their environment. Invent your own robot designs using recycled materials. Finally, we use your hands-on skills to build your very own working robot to take home to “live” with you!

Week: 7  Time & Location: 9:00 - 12:00 p.m., MR  Grades: 1st - 4th  Fee: $150
Week: 7  Time & Location: 1:00 - 4:00 p.m., MR  Grades: 1st - 4th  Fee: $150

Mad Science: Mad Machines & Jr. Engineers!
Whether your child loves to build things or destroy them, this week of camp includes lots of both! The junior Mad Science engineers will design and build bridges and “skyscrapers” and even construct a Geodesic Dome big enough for all the campers to sit inside! Then the machine madness starts. This journey will include many different machines, simple & complex, we use in our daily lives.

Week: 8  Time & Location: 9:00 - 12:00 p.m., MR  Grades: 1st - 4th  Fee: $150
Week: 8  Time & Location: 1:00 - 4:00 p.m., MR  Grades: 1st - 4th  Fee: $150

Making Stories Come Alive:
In this class we will write and illustrate our own stories while looking at some famous story tellers like Aesop, Eric Carle, and many more. We will explore Poetry and how words can describe feelings and places. Students will leave class with their own storybook at the end of the week and a new appreciation for their own imaginations!

Week: 2  Time & Location: 9:00 - 12:00 p.m., MR  Grades: 2nd - 5th  Fee: $150

Week: 2  Time & Location: 9:00 - 12:00 p.m., MR  Grades: 2nd - 5th  Fee: $150

Photography
Do you like taking Pictures? Explore the fun of Photography and learn how to properly use a camera. Projects include Birds Eye and Bugs Eye Perspectives, Spooky and more! Be prepared to bring a camera to class.

Week: 3  Time & Location: 9:00 - 12:00 p.m., MR  Grades: 2nd - 5th  Fee: $150, Week 3 $140

Puppetry
Students will make their own puppets. Together we will build a puppet stage, write a show and perform. We will learn about developing characters, scenes, and story lines. We will learn what a climax, protagonist and antagonist is in a story and how they interact.

Week: 4  Time & Location: 9:00 - 12:00 p.m., MR  Grades: 2nd - 5th  Fee: $150

Scienstational: Advanced Robotics
Build and take home your own robot! Build a robot dinosaur, Mars cruiser, space copter and more! Use your imagination, and build as many as you can!

Week: 4  Time & Location: 1:00 - 4:00 p.m., MR  Grades: 1st - 4th  Fee: $150
Week: 8  Time & Location: 9:00 - 12:00 p.m., MH  Grades: 1st - 4th  Fee: $150
**Sciensational: Can You Dig It?**
Archaeology and Paleontology seem like big words to kids. Now Sciensational Workshops for Kids makes them come alive. Each child will partake in a simulated fossil excavation, uncovering the different bones of a dinosaur. Children will make a fossil plaster replica of an ammonite, and more!

| Week: 7 | Time & Location: 1:00 - 4:00 p.m., MH |
| Grades: 1st - 4th | Fee: $150 |

**Sciensational: Maglev Cars**
Build your own “futuristic Maglev” car to race & take home. Learn about the relationship between magnetism and electricity. You will also get to build a simple maglev track as well as a cool electromagnet. Learn how motors work, as well as generators. Build and take home the world’s simplest motor. Make your own compass and take part in many other magnificent magnetic activities!

| Week: 8 | Time & Location: 9:00 - 12:00 p.m., MH |
| Grades: 1st - 4th | Fee: $150 |

**Sciensational: Model Airplanes & More**
Build your own rubber-powered model airplane. Use your model as a learning tool in aerospace education, or just have fun building a sound airplane that actually flies when assembled. Have fun designing and building model bridges. Join us in our bridge building contest to see which one can hold the most weight.

| Week: 4 | Time & Location: 9:00 - 12:00 p.m., MR |
| Grades: 1st - 4th | Fee: $150 |

**Sciensational: CSI**
You will be the super science sleuths. Have fun learning about forensics, crime scene investigations, and crime lab chemistry as you perform as many as 15 different experiments designed to show you just how those tricky cases are solved. Search for the evidence, gather clues, and discover how science can help solve a mystery.

| Week: 2 | Time & Location: 1:00 - 4:00 p.m., MR |
| Grades: 1st - 4th | Fee: $150 |

**Sciensational: Chemical Magic**
Make delicious candy in our lab. Learn to make batteries from oranges and lemons. Produce and keep your own copper coated nickels. Make incredible “Hulk Glue” out of skim milk. Make and take home your own crystal garden. Have fun exploring art that pops off the page and get inspired by other famous sculptures!

| Week: 8 | Time & Location: 12:00 - 3:00 p.m., MH |
| Grades: 1st - 5th | Fee: $150, Week 3 $140 |

**Sciensational: Make It and Take it Home**
In this hands-on, fun, and exciting program, you will discover how amazing science is. You will make and take home a wide assortment of toys designed to teach you science concepts in a hands-on way. Grow and take home a crystal tree. Make an energy bead bracelet and watch as those amazing beads turn from white to a rainbow of colors before your eyes and more!

| Week: 2 | Time & Location: 9:00 - 12:00 p.m., MH |
| Grades: 1st - 4th | Fee: $150 |

**Sciensational: Line Tracking Sensor Robot**
Activities Include: The two photo interrupters, acting as eyes, makes your robot go the way you want it to. It is yours to build and keep. It will follow a black line. Design your own track from black tape or black paper. You can change the route anytime that you want. Learn about the different gears as well as what the photo interrupter does. Join us in our Sumo wrestling, tug-of-war and obstacle course building.

| Week: 5 | Time & Location: 9:00 - 12:00 p.m., MH |
| Grades: 1st - 4th | Fee: $150 |

**Sciensational: Follow Me Robot**
How would you like to build a robot that has four built-in microphones? It will detect the sound source and in turn it will move and turn accordingly. It is your own robot to build and take home. Make it move the way you want it to move. Learn about the different gears and sensors as you build it.

| Week: 7 | Time & Location: 9:00 - 12:00 p.m., MH |
| Grades: 1st - 4th | Fee: $150 |

**Sciensational: S.P.A. Kids**
**Sciensational: Amphibious Vehicle and RowBoat**
Build and take home TWO exciting projects. You will build an amphibious vehicle. YES!! One that can travel on land or shallow water. We will bring our shallow lake to test it out. You will learn as you build how the submarine motor, worm gear rudder, and the propeller works. It is one cool vehicle that is a challenge to build!

| Week: 6 | Time & Location: 1:00 - 4:00 p.m., MH |
| Grades: 1st - 4th | Fee: $150 |

**Sciensational: Follow Me Robot**
How would you like to build a robot that has four built-in microphones? It will detect the sound source and in turn it will move and turn accordingly. It is your own robot to build and take home. Make it move the way you want it to move. Learn about the different gears and sensors as you build it.

| Week: 7 | Time & Location: 9:00 - 12:00 p.m., MH |
| Grades: 1st - 4th | Fee: $150 |

**Sciensational: Youth Stages: Create It/Act It!**
With Youth Stages founder, Joan Prall Rosolino, students will devise their own play, create simple sets and costumes, create characters and plot, rehearse, and share their creation with family members on Friday!

| Week: 4 | Time & Location: 9:00 - 12:00 p.m., MH |
| Grades: 2nd - 5th | Fee: $150 |
