

***FOR VALENTINE'S DAY...
... GIVE A HEART OF THANKS!***

Give a **Valentine's Day HEART** to honor your child's teacher, guidance counselor, Principal, or other staff person who makes a difference in your child's life.

Your donation helps fund our many grants, which enrich your child's education. We have funded Solar Suitcases for high school students, STEAM Wind Turbine Tree Houses, Ukuleles for the elementary music program, Homes for Barn Owls, Heart Monitors for high school students, Starlab for elementary students, 3D Carving Machines, 3D Printers, and 3D Mini Desktop Printers for the engineering program at both middle and high schools.

Without your support, our students could not benefit from these programs!
