

Honor a Teacher or Staff Member with a

STAR 

Give a STAR to honor your child's teacher, guidance counselor, Principal or other staff person who makes a difference in your child's life.

Your donation helps fund our many grants which enrich your child's education. In the past two years, we've funded Solar Suitcases for high school students, STEAM Wind Turbine Tree Houses, Ukuleles for the elementary music program, Homes for Barn Owls, Heart Monitors for high school students, 3D Carving Machines, 3D Printers, and 3D Mini Desktop Printers for the engineering program at both middle and high schools.

Without your support, our students could not benefit from these programs!
