***The West Windsor-Plainsboro Education Foundation Announces its
3rd Annual Innovation Fair!***

The Innovation Fair will showcase the amazing ingenuity and creativity of our students, and will feature an exciting mix of exhibits, speakers, plays, musical and dance performances, demonstrations and activities for the entire community to enjoy.

- We invite applications from students to share their talents in areas of science, technology, engineering, the arts and math (STEAM), including robotics, makers and programming, or any other area where a student has a creative project or talent to exhibit or demonstrate.
- Students may present:
 - STEM projects in the form of an exhibit, presentation, hands-on activity.
 - Original musical compositions, choreographed dances, fashion designs, literature and poetry compositions, etc.
- Participation in the Fair is open to all students in grades K-12. Teachers are also encouraged to participate with their students.
- The deadline for application submission is **March 29, 2019**. All selected participants will be notified by **April 15, 2019**.

There will be food and fun for everyone!

Student and teacher participant registration is now open. To apply or for more information, please visit
