

The CMS PTSA is organizing a Grover's Mill Road Safety Group.

Many of us have had the challenge of dropping off, picking up or just driving on Grover's Mill Road during rush hour.

To address Grover's Mill Road safety in front of CMS, HSN and MRS, the CMS PTSA is collecting names of parents at all three schools who will meet and create an action plan to address road safety with the town of Plainsboro.

If you would like to help and serve on the Grover's Mill Road Safety Group (or chair the committee) please email communitymiddleschoolptsa@gmail.com

Thank you in advance!
