

**Sockey**® is an Elementary-level indoor co-ed sport created to learn the game of hockey, exercise, and have fun all while listening to great music! It is a safe variant of hockey played in a gymnasium with sock-covered hockey sticks, soft indoor hockey balls, and players wear sneakers instead of skates! Players receive a team shirt and team picture, and all equipment is provided (including sticks).

What sets our after-school program apart from others is our philosophy. We believe in giving back to the community, fun for all students, convenience for parents, financial support for teachers, and an overall sense of community for everyone involved. The program is only coached by teachers in the district.

Sockey is the **only** after-school program in WWP completely led by the teachers! The program donates a percentage of the proceeds to each school's PTA, and we team up with our WW-P guidance counselors offering "Sockey Scholarships."

Registration is now open for the Fall 8 class session beginning the week of October 7th, 2019.
