

American Education Week at CMS

WW-P, along with districts across the nation, is celebrating *American Education Week* from **Nov. 18-22**. This week presents a unique opportunity where you are invited to experience a “day in the life” of your child. Here at CMS, we are proud to open our doors **Nov. 20**, so that you may observe your child’s classrooms as he or she participates in core subject and special area lessons.

We invite you to pre-schedule classroom visitations that will occur Wednesday, Nov. 20, from 7:40-11 a.m. During that time, you may choose to visit any or all of your child’s classes, highlighting the wonderful things that happen here at CMS. To pre-schedule a visit, please contact the main office at **609-716-5300 by Monday, Nov. 18**. Below, for your planning, is a detailed schedule for each grade level.
