The 6th Grade class will be ending the school year with an exciting **3-day trip called, Outdoor Ed**. As part of their science curriculum, the entire grade will be traveling to Camp Canadensis in Canadensis, Pa. along with 25 teachers & administrators, and about 75-90 parent chaperones to experience science where it should be experienced..... in a natural, authentic environment - the great outdoors. **This experience will take place Wednesday, June 3rd – Friday, June 5th, 2020.**

Parent Meetings have been scheduled to provide you with all the details you need to ensure that your child is fully prepared for the trip.

Both meeting dates are the same meeting, therefore, you only need to attend one meeting.

If circumstances require you to pay by installments, the due dates of the installments are as follows:
