Community Middle School Weekly Update

A Message From the CMS Administration

Helpful tips for #TeamCommUNITY:

- During remote learning days, Panthers stay connected to #TeamCommUNITY and WWPRSD communications. Follow teachers and administrators on Twitter for district and personal updates. We want you to stay informed and encouraged!
- Remember to follow the CDC guidelines, maintain social distancing and utilize proper hand-washing. We want all our Panthers to be safe and healthy during this time.
- Organize your day so you have time to complete school assignments and eat a healthy breakfast, snack and lunch while learning remotely.
- With your family's permission, get some fresh air. Run, walk, jump around or chalk draw on the sidewalk. Find particular flowers, birds, or insects in your neighborhood. Take a picture or just observe.
- Turn off the computer after school assignments are complete. Give your eyes a rest from looking at a computer screen or phone. Talk with your family or a friend. Play eye spy, truth or dare, ask 21 questions or play a board game. Start a new family tradition. As a family, you can cook or create something new for your family to enjoy. Perform a skit or play. Write a song, play an instrument, or choreograph a dance.
- Read a book for fun and tell your family or a friend about it.

There are plenty of resources making the rounds on social media. Just do a simple Google search and take note of items that may support you and your family during this time.
