Village School Weekly Update

A Message From the Village Administration

Dear Village Parents & Guardians,

We hope that everyone was able to find some time to relax and enjoy some time off for Spring Break. This week concludes our 5th week of virtual learning. The K-5 level curriculum will continue to be provided electronically using the slide decks. Teachers will continue to foster social emotional learning via videos and synchronous (live) opportunities. We continue to recognize the ever-changing challenges and varied demands our families are faced with each day. Please reach out to your child's teacher, guidance counselor or building administrator for any concerns and to maintain communication.

We continue to be here to support you and want to assist you as needed. We have resources available to families in need.

- Families who qualify for free or reduced meals are being supported by bi-monthly food distribution. If your circumstances have changed and you need assistance in this area, please contact either the guidance counselor, nurse or building administrator.
- Technology is another resource available. Families who are having difficulty with their school-issued device or for those families who need access to a device for their child, please complete the link that follows. Once you complete this link, you may report to High School North on Tuesday or Thursday between 11 a.m. and 2 p.m. to get tech support or sign out a device. Please note: you will not receive a notification to report to the high school; please go to High School North on the next Tuesday or Thursday. **Link to Form: [Technology Request](#)**
- In addition to the curriculum that is being provided virtually, we also support any student who is struggling with the circumstances and loss of being at school with peers and teachers. If your child is experiencing difficulty, please reach out to his/her teacher, guidance counselor, CST, or building administrator for support.

Please stay connected with the PTA as they are working on some end-of-the-year events and opportunities that will be available electronically.

We will continue to keep you updated with the weekly newsletter.

Warm regards,

Barbara Gould and Guy Tulp
