Teacher Communication

- Parents have often used Genesis as a tool to monitor their child's progress. Our teachers realize that with this tool missing, there is a need for increased communication. Please trust that if your child is missing assignments or has not resubmitted an assignment that needed revision, the teacher will reach out to you. As always if you have specific questions about your child's progress, please initiate contact. However, if you do not hear from your child's teacher, you can rest assured that all student work is submitted and meets the learning standards.

District Facilities

- **Playground Equipment and Athletic Fields:** As WW-P continues to sanitize our facilities and practice social distancing, all school playground equipment/athletic fields/courts/tracks/etc remain closed until further notice.

Food Services

- If your child(ren) receives food benefits, please check your email for instructions.
- If your financial situation has recently changed and you would like information on food benefits, please click [here](#) for details and to download the application.

Technology

- **Broken Chromebook?:** WW-P students with Chromebooks that are damaged or in need of repair should complete this [Google form](#) (students must log in to their Google account to access the form). Once the form has been completed, students or parents may bring the broken device to the front of High School North (90 Grovers Mill Rd., Plainsboro) on Tuesdays or Thursdays from 11 a.m. - 2 p.m.

Registration

- At this time, all student registration for incoming kindergarten students for the 2020-21 school year, as well as students moving into the WW-P Regional School District will be done by appointment and virtually until the district reopens.
