Town Center Elementary School Weekly Update

- WW-P schools will be closed in observance of Memorial Day Monday, May 25 and Tuesday, May 26, returning to virtual instruction Wednesday, May 27. -

A Message From the Town Center Administration

Dear Town Center Parents & Guardians,

As we continue to navigate through another week of remote learning and we continue to stretch our minds to guide our students through each learning day, we need to continue to collaborate with each other in order for your child's success. We recognize the challenges remote learning has placed on families during this uncertain time. Please know that we are here to assist. We ask that you maintain communication with your child's teacher, and as needed with the school counselor, school nurse, case managers and the administration team. We communicate regularly with our elementary teams (teachers, administrators, PTA leadership, etc.) in order to plan the end-of-year special events (field days, student and parent orientations, transitioning to a new building, etc.) and celebrations for specific grade levels and the entire school community. We are also discussing plans for the "close out" of this school year and the collection and return of materials as the last day of school is scheduled for June 19. Of course, everyone's safety must come first. Please know important information will be forthcoming over the next few weeks concerning these two areas.

We continue to be here to support you and want to assist you as needed. We have resources available to families in need.

- Families who qualify for free or reduced meals are being supported by bi-monthly food distribution. If your circumstances have changed and you need assistance in this area, please contact the guidance counselor, nurse or building administrator.
- Technology is another resource available. Families who are having difficulty with their school-issued device or for those families who need access to a device for their child, please complete this [form](#). Once you complete this form, you may report to High School North on Tuesday or Thursday between 11 a.m. and 2

p.m. to get the tech support or sign out a device. **Beginning May 29, the Tech Department will also be available at High School North on Fridays from 11 a.m. - 2 p.m.** Please note: The form must be completed prior to going to High School North. You will not receive a notification to report to the high school; please go to High School North on the next Tuesday, Thursday, or Friday following submission of the form.

- In addition to the curriculum that is being provided virtually, we also support any student who is struggling with the circumstances and loss of being at school with peers and teachers. If your child is experiencing difficulty, please reach out to his/her teacher, guidance counselor, CST, or building administrator for support.

In closing, this is a friendly reminder that all WW-P Schools will be closed Monday, May 25 and Tuesday, May 26 in observance of Memorial Day. Virtual/remote instruction will resume Wednesday, May 27. We encourage you to spend time with your family and enjoy the "down-time" together away from your computer screens and devices.

Fondly,
Janet Bowes and Renee Osterbye
