

## High School South Weekly Update

### School Updates

#### CLASS OF 2020 NEWS

- Please check your emails for important information regarding virtual graduation, decorated caps and additional updates.
- While we may not be able to celebrate together, we have been working hard to find creative ways to express congratulations and good wishes to all of our Class of 2020 seniors. We hope you will all be able to take a short drive and check out our most recent addition to the celebration of our High School North and High School South seniors. We have arranged for three different messages on two different Route 1 billboards. Check out the following billboards located:
  - Rt. 1 @ Meadow Road, facing south (for northbound traffic) - This board is just before the overpass, right in front of the car wash
  - Rt. 1 S/O Emmons Drive, facing north (for southbound traffic) - This board is right in front of Whole Foods and Jersey Mike's Subs
- **Senior Trip Refunds:** We've recently received information from our travel agent regarding the airline vouchers for the Senior Class trip. There is currently legislative action in place that could impact how airlines will be required to reimburse travelers for missed flights due to COVID-19. Due to this legislative action, it has been recommended that you refrain from using these travel bank credits at this time. We do not know if this legislative action will result in any changes to our current situation. We would not want to see anyone not be able to take advantage of any results of this legislation if they have already used their voucher. Our travel agents are continuing to monitor the situation and will keep us posted.

## Teacher Communication

- Parents have often used Genesis as a tool to monitor their child's progress. Our teachers realize that with this tool missing, there is a need for increased communication. Please trust that if your child is missing assignments or has not resubmitted an assignment that needed revision, the teacher will reach out to you. As always if you have specific questions about your child's progress, please initiate contact. However, if you do not hear from your child's teacher, you can

rest assured that all student work is submitted and meets the learning standards.

## Technology

- **Broken Chromebook?:** WW-P students with Chromebooks that are damaged or in need of repair should complete this [Google form](#) (students must log in to their Google account to access the form). Once the form has been completed, students or parents may bring the broken device to the front of High School North (90 Grovers Mill Rd., Plainsboro) on Tuesdays or Thursdays from 11 a.m. - 2 p.m.
- **NEW:** The Technology Department will be at HSN from 11 a.m. - 2 p.m. every Friday. This is in addition to their Tuesday and Thursday hours. Please remember to complete the [Google form](#) prior to showing up.

## Communications
