## Graduation Pathways

# Executive Order No. 117 (4.7.20)

"As a state, we must continue to adapt to the new reality that COVID-19 has created in our state, a task that our students and educators are navigating every day," said Governor Murphy. "The waiver of these student assessment requirements will ensure that no student is left behind or unduly penalized due to these extraordinary circumstances."

On June 5, 2019, the New Jersey Department of Education (NJDOE) updated the high school graduation assessment requirements in both English language arts (ELA) and mathematics for the classes of 2019 through 2022, pursuant to an amended Consent Order issued by the Appellate Division of the Superior Court of New Jersey.
