Also present was board attorney, Jeffrey Caccese, Esq.

BOARD PRESIDENT’S COMMENTS

Board President Juliana explained that the meeting was called to order during the earlier executive session. Ms. Juliana asked Jeffrey Caccese, board attorney, to make a correction to the agenda. Jeff Caccese corrected the notification date listed on the agenda in the call to order, which incorrectly reads March 4, 2022, and should be corrected to read February 4, 2022.

Dr. Russo administered the oath of office to appointed Board member, Shwetha Shetty. Ms. Shwetha Shetty took the oath of office. Dr. Russo and Ms. Juliana congratulated Ms. Shetty.

Ms. Juliana acknowledged and applauded the State of New Jersey for passing legislation last month ensuring Asian American and Pacific Islander inclusive curriculum is taught in New Jersey schools. Board President Juliana reported that there will be events going on around the district during the month of February to celebrate Black History Month.

SUPERINTENDENT’S COMMENTS

Dr. Aderhold reported that yesterday, Governor Murphy stated that as of March 7, his Executive Order 253 on mask mandates in K-12 schools will be eliminated. At that time, it will be up individual school districts to decide whether or not to extend masking requirements. Dr. Aderhold stressed that, until the District has further guidance from the other state agencies, such as the Department of Health and Department of Education, the District will wait to make any decisions on masking. In the meantime, the District will continue to host booster clinics. The West Windsor Health Department will hold a booster clinic tomorrow and another in three weeks on Feb. 23. He reported that the voluntary, in-district, weekly take-home COVID testing program through Mirimus has been terminated as it did not run as well as the District would have liked. Moving forward, a new, voluntary, in-person, on-site testing program will be held every Saturday beginning Feb. 12 at High School North from 9am to noon.

STUDENT REPRESENTATIVES’ REPORTS

Edward Li, High School North student co-representative, reported on club updates. North’s National Honor Society recently hosted two study halls for students interested in studying and collaborating with Nation Honor Society seniors. HS North’s MEdforum held their first restaurant fundraiser at On the Border. HS North’s Class of 2023 is hosting a pickle ball tournament; the competition is open to all grade levels. Mr. Li congratulated the boys swim team for placing second in the team competition at the Mercer County Swimming Championships. He also congratulated the West Windsor-Plainsboro United Cheerleaders for taking a first place win the St. Hubert’s Cheerleading Competition.

Allison Wu, student co-representative from High School North reported that High School North would be hosting virtual conversations, presentations, and exhibits that explore the achievements of African American individuals to celebrate Black History Month. The senior class council will be hosting their traditional annual rose sale this week and the ToKnight show junior hosts have been determined. Ms. Wu congratulated the staff and students for making it through the second semester.

Alison Wu also presented Ansh Gadodia's student report, as the student representative from High School South was unable to attend. Ms. Wu reported that, in the past month or so, High School South's Student Council has been focused on preparing for their next events, which include dodgeball and a movie night, which should take place in either mid-February or mid-March. Student Council has been raising some money through ongoing bake sales. South recently had a virtual "Town Hall" meeting where anyone from the student body could ask administrators questions. Senior prom was one of the topics discussed, and it was clarified that only High School South seniors could attend High School South's Senior Prom. Administrators are planning on expanding senior privileges; details are being ironed out.

Board President Juliana thanked the students for their reports.

START STRONG TEST RESULTS PRESENTATION

Board President Juliana introduced Dr. Pamela Nathan to present the Start Strong Test Results. Dr. Nathan explained that the information provided by these assessments is a snapshot of a student's understanding and should only be used in conjunction with other supporting evidence when drawing conclusions about a student's overall academic performance. She explained that the tests were administered quickly and were mandated by the US Department of Education. Dr. Nathan stressed that the Start Strong results must be interpreted and used differently than NJSLA results. Start Strong results do not cover the breadth and depth of standards as seen on the NJSLA and do not support the same comparisons or inferences about student proficiency. Dr. Nathan displayed the number of students tested in the different subject areas and the results. Results are broken down into three levels: strong support may be needed, some support maybe be needed, and less support may be needed. The Assistant Superintendent presented results by category showing the support level indicated. She presented achievement levels by subgroup and demographics for English language arts, math and science. Dr. Nathan concluded her presentation by outlining the notable achievements of the District and the intervention strategies the District has put in place.

One Board member engaged Dr. Nathan in a discussion regarding future assessments and the ability to compare data from year to year.

Dr. Aderhold commented that the Start Strong test was a quick response by the State of New Jersey to comply with a US Department of Education requirement to have a statewide assessment. The NJSLA will be back, but because it will not have been administered for several years, comparable data points will be difficult.

PUBLIC COMMENTS
