Also present was board attorney, Jeffrey Caccese, Esq.

BOARD PRESIDENT’S COMMENTS

Board President Juliana explained that the meeting was called to order during the earlier executive session. She mentioned that this is the first week of masks optional for all grade levels. Ms. Juliana thanked Dr. Aderhold, administrators, and staff, for carefully analyzing the masking data. She also thanked the community for their patience and support.

SUPERINTENDENT’S COMMENTS

Dr. Aderhold reported that the District would continue to track data and monitor the level of COVID-19 transmission in the community to determine if optional masking continues or if there is a pivot to mandatory masking. He reminded everyone that there is no place in our school community for any type of bullying of students or individuals based on their choice to wear a mask or not wear a mask.

AUTISM PROGRAMMING IN WWPRSD

Dr. Aderhold proudly introduced the Special Services leadership team to present information on Autism Programming in West Windsor-Plainsboro Regional School District. Melissa Levine, Director of Special Services, began the presentation by defining autism and outlining the various degrees of autism. She also outlined the District’s autism instructional size limitations. Samantha Tognela, PreK-3 Special Services Supervisor, presented information regarding the number of students needing autism programs in grades PreK-8 over the past several years. Karen Abrams, 3-8 Special Services Supervisor, shared the mission statement of the autism program. She also outlined the core needs of students in these programs. The team continued to present information, including related services needs of students and lessons learned in the past. The team also outlined the current student needs in preschool to 8th grade, compared them to the needs of students in the past, and outlined a plan to meet student needs in the future. Dr. Aderhold concluded the presentation by outlining the recommendations to the Board of Education. He began by presenting the projected growth in the PreK-8 autism programs. The Superintendent clarified that administration is recommending a two-year, phased-in plan to move the autism program from Town Center to Wicoff. The move would be phased in over the 2022-2023 and 2023-2024 school years. The transition would result in Wicoff becoming a PreK-6th grade school for students receiving Autism and MD self-contained programming, Town Center absorbing the Wicoff sending area’s K-2 population, and Millstone River remaining a grade 3-5 school, but absorbing Wicoff’s 3rd grade sending areas. The consolidation of the Autism and MD self-contained programming into one school would allow students to have consistent access to a team of specialized professionals in a centralized location.

Ms. Juliana thanked the group for their presentation. The Board, the Superintendent, and the presentation team engaged in a discussion regarding the impacts of the proposed changes.

PUBLIC COMMENT

LeeAnn Glozman, 14 Wellington Drive, West Windsor and Dharmendra Makhijani, 5 Benjamin Ct, West Windsor, thanked the Board for pivoting to optional masking for elementary students, for looking at the data, and for allowing parents to make the decision.

Board President Juliana closed the first opportunity for public comment.
