Dear Parent/Guardian:

Welcome to the West Windsor-Plainsboro Regional School District. We take great pride in providing an environment that motivates all students to learn, exercise imagination and sensibility in solving problems, and find opportunities for social growth and success. As a public school district, our ultimate goal is to ensure success for all our students.

As a family new to the District, we would like to invite you to the West Windsor-Plainsboro New Parent Link Open House to introduce you to your new school district and communities. This program is for parents with students in Grades 1-12 only (not for Kindergarten students) and will be held on **Thursday, August 24, 2023 from 6:00 pm– 7:30 pm at Thomas Grover Middle School, 10 Southfield Rd, West Windsor**. Information regarding both district and community programs will be available before the in-person session.

Our goal for the evening's presentation is to provide you with a better understanding of the WW-P school system, school scheduling, communication, homework expectations, transportation, community education and other tools which will help you and your child succeed.

To register follow the link [here](#). If you have any questions, please email Kaitlyn.haley@wwprsd.org. We look forward to seeing you on August 24th at 6:00 p.m.

Sincerely,

Lee McDonald, Ed.D.
Deputy Superintendent
