August 2017

To All Parents who drop off and/or pick up students at HSN at arrival and dismissal:

Let me take this opportunity to remind all parents who drop off their students at arrival (7:40 AM) or pick up their students at the end of the school day (2:50 PM) of HSN procedures.

Upon entering the HSN site, parents should move to the right hand lane of the access road. At the end of the access road (facing the music wing) all parents dropping off or picking up students should turn right and proceed to the pickup/drop off loop near parking lot C (see attached map). Students may enter the building through doors 29, 44 and 45.

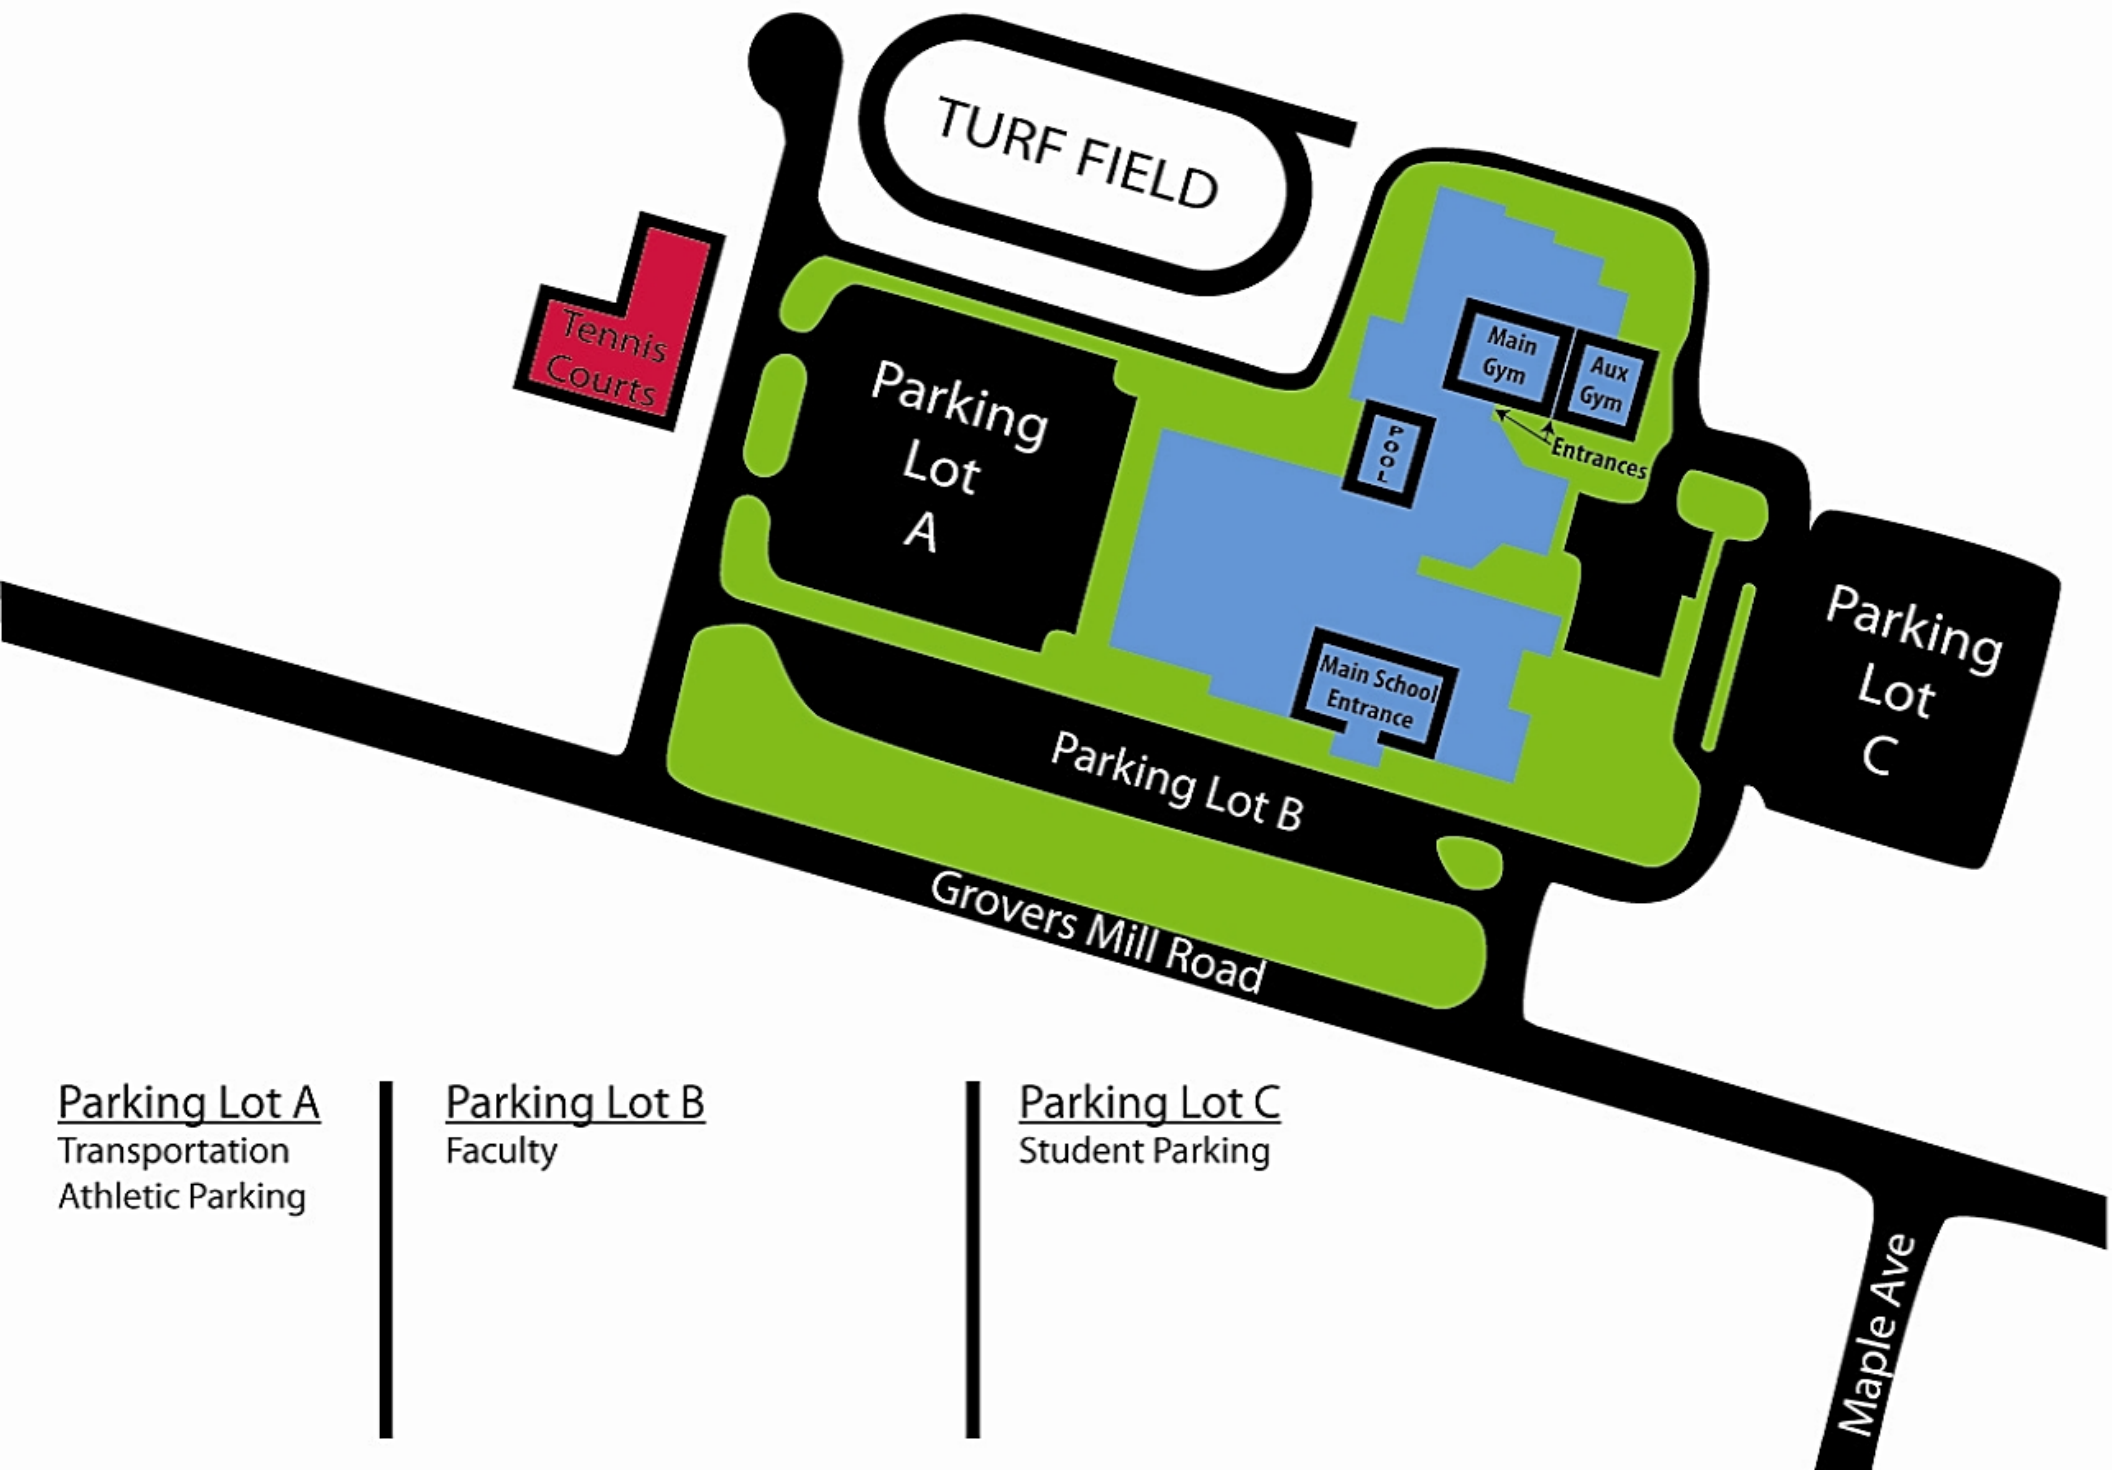

No student drop off or pick up at arrival (7:40 AM) or dismissal (2:50 PM) should occur at the main entrance to the building or in Parking lot B. The access road in front of the building is for WWP District transportation only.

Please abide by these pick up/drop off regulations for the safe travel of all members of the HSN community.

Sincerely,

Jonathan J. Dauber, Ed.D.

To All Student Drivers:

Student parking area assignments are as follows:

Parking Lot A – Transportation/Parking for Athletic events

Parking Lot B – Faculty/Visitors

Parking Lot C – Student Parking

Upon entering the HSN site, student drivers should move to the right hand lane of the access road. At the end of the access road (facing the music wing) all student drivers should turn right and enter parking lot C for parking. Students may enter the building through doors 29, 44 and 45.

Student parking is prohibited in either Parking Lot A or B during school hours. Violators of this policy will be ticketed and fined.

At lunch (for seniors in good standing only), student vehicles must stop at the stop sign on the access road preceding the main building for lunch pass monitoring. At dismissal, all student vehicles will be held at the same checkpoint until the buses begin to exit. Student vehicles will follow the buses to exit the school site.

Parent dropoff/pickup during school hours will occur in the loop adjacent to parking lot C.

Please abide by these new parking and ingress/egress regulations for the safe travel of all members of the HSN community.

Sincerely,

Jonathan Dauber, Ed.D.
